I hope everyone enjoyed their winter break. As 2018 begins, staff is in full show mode. We have been working on costume and song selections for our “Hey, Hollywood” themed show.

Parent Visitation

Parent Visitation week is January 29th to February 3rd. This is the perfect time to stop into class to see what your dancer has been working on this year. Teachers will be sharing information regarding costume selection, the size we intend to order for your dancer, and cost. If your teacher has selected to do something a little different or special for this years show, that information

will also be shared during Parent Visitation. If you are unable to attend Parent Visitation and would like to make time to visit class, please speak with your teacher to make special arrangements or email the studio.

Senior Selections

We reached out to our seniors during second quarter regarding a senior selection for the show. If you did not respond to that email, or you didn't hear from us and you have a senior interested in performing a special piece in our show, please email the studio. It's time to reserve studio space for rehearsals and coordinate assistance with choreography.

We also need to select costumes and cut music for these pieces.

Costumes

The plan for costume invoices is to send one invoice per student rather than one invoice per student per class. We will also be accepting credit card payments for costumes and tickets to our spring show.

Tuition

Please keep tuition payments current. If you prefer to have your invoices sent home or emailed to an alternate email address, please let us know. Past due invoices were sent home last week, third quarter statements are being emailed now.

show volunteers needed!

Ever wonder what goes on backstage during the spring show? Are you a seasoned backstage volunteer looking to help again this year? Maybe you are dancing in the show but want to be more involved? If you answered yes to any of these questions, we want you! We are recruiting volunteers for our spring show in May.

If you are helping backstage as a runner, a room mom, a coordinator, or otherwise, you get to watch both dress rehearsal and the show from backstage. It's a perspective not many get to experience and it is certainly exciting! Volunteer ticket orders are also prioritized. This year we are looking to allow volunteers

to order tickets before everyone else. This means your family members will absolutely get the best seats in the house! You can even make a special request if you have favorite seat at the Lied. If you are interested in volunteering, please email Anna Ripa at annacripa@gmail.com

winter weather reminder

As the inevitable winter weather approaches, please remember we will follow decisions made by LPS. If LPS cancels school due to weather, studio 2 classes will also be cancelled. For Saturday morning classes, if LPS cancels weekend activities, we will as well but may also make a separate call. When

the studio is closed we will leave an announcement on Facebook, update our outgoing voicemail message, and send an email.

go, fight, win!

S2 cheer and dance team tryout prep workshop

Do you have a dancer interested in high school or college cheer or dance team tryouts? If so, we have just the thing for you! Our cheer and dance team prep workshop will be taking place Saturday afternoons during the

month of February from 2 to 4 pm. We will provide assistance with cheers, sidelines, dance routines, kicklines, turns, jumps and general tryout prep. Not only will you prepare for tryouts by perfecting technique specific to cheer squads and dance teams, we will also provide you with mock tryout opportunities. In addition to mocks, we will assist in creating your own chants, sidelines, and kick line routines so you are

well prepared for anything thrown your way. If you are interested in joining us for this fun workshop, email the studio and we will reserve your spot! Cost is \$100.

Our workshop teachers are well versed in both the cheer and dance team world and they are excited to share their experience with you. We want our S2 dancers to be the most prepared and confident come tryout season! Go Team!
